HOW TO ENJOY YOUR IT CAREER

BY

JOHN SYLVESTER

TIPS

1. Be a student of IT Industry.
   - → Spend 1 hour daily to learn something new.
   - → Try to map academics with day to day work

2. Learn new technology using 5 pillars approach.

   - → Refer to video : https://youtu.be/T6OIAwQlszA

3. Learn from your mistakes.

TIPS

4. Contribute to Centre of Excellence (COE) activities in your company

5. Appreciate your own achievements

6. Don’t learn for getting promotion, salary hike etc... Learning will not last.

7. Share your learnings
   →YouTube Channel, Blogging etc...
   →Volunteer to train juniors.

Thank
You!!!
